Every couple's wedding is so unique and *exactly the reason* New York City Swing completely customizes our bands for each party. Together with owner Dore DeQuattro, you'll select the number of vocalists, the specific instruments, the songs, even the mood and sound you want. Do you prefer a large horn section?...a conga sound?...a rap vocalist? ...it's up to you and New York City Swing has it all.

Many variables affect the price including the time of year, day of the week and distance from New York City just to name a few. However, our package includes *everything*: live continuous music throughout the evening, soundmen, sound equipment, travel and taxes.

So call today. Tell us what will make you happy (musically;) and get an immediate quote. Your party will be awesome!!!
