WEDDING PACKAGES

When looking for my own wedding photographer, nothing drove me crazier than not having numbers readily available. There are no emails you need to send or hoops you need to jump through to get basic information. My pricing, like my photography, isn't fussy or fiddly - I keep things transparent and up-front.

My average coverage time is around 6 hours, but be sure to drop me a line if you have something different in mind for your big day - I'm happy to provide custom quotes!

"BUT CAN YOU PHOTOGRAPH OUR....?"

Of course! Additional services such as Bridal Portraits after hair/makeup trials, rehearsal day/night coverage, and Trash the Dress/Suit shoots are all available. Give me a shout if you've got something else you're thinking of in addition to standard wedding day + engagement sessions.

HEY, I TRAVEL!

A lot, actually. As destination and adventure weddings are unique in nature, please contact me to discuss your plans so we can get shootin' and I can get you a price quote.

A QUICK P.S.

While I sometimes book weddings and sessions well over 6 months to a year in advance, never hesitate to give me a shout if you're looking for a short notice photographer in Maryland, DC, and Virginia. Or...beyond!

Once upon a time, I booked a wedding in Mexico with less than two weeks before their I-Dos, but that's a story for later...
