Wedding Photography Services

Katherine Payne Photography has 5 Wedding Collections to meet every couples needs. We feel that capturing the images of your special day is only second to your exchanging of vows. These images will be the storyteller for years to come. At your complimentary consultation appointment we will discuss every detail of your upcoming wedding so you can select the collection that best define what you are looking for. We offer destination wedding and special events worldwide and also extend discounts to our active and retired US Military service personnel.

For the couple wishing to have a private ceremony without the engagement or reception coverage we offer our Bronze Collection. This collection investment starts at \$1000.00.

The four other collections all include the Engagement Session so we have the opportunity to know you before your big day. Our Silver Collection starts at \$2250.00; Gold starts at \$5650.00; Platinum starts at \$8350.00 and Diamond Collection starts at \$11,550.00. We are confident you will find the perfect collection for your perfect day.

We require a \$500.00 retainer to reserve your day* the \$500 retainer is applied to the wedding collection selected. Retainers are not refundable, if the wedding is cancelled or if we cannot cover it due to a date change made by you. You may apply it to a different date, provided that date is available. One date change will be allowed. If a second date change is requested there is an additional \$200 fee.
