

The Wedding Fees

Our all inclusive deluxe wedding package includes the Peachtree Christian Church pastor and premarital counseling; organist fees; use of church facilities for the rehearsal and wedding; bridal room; dressing room for groomsmen; designated security guard; sound technician; custodial fees; utilities; and parking.

The allotted time for a wedding is one and a half hours for photos before the wedding; thirty to forty minutes for the ceremony; and thirty minutes for family photos after the wedding. More time may be allowed if it does not conflict with another scheduled event.

Sanctuary Wedding (seating 500 people)	<i>\$3,400</i>
Chapel Wedding (seating 90 people)	<i>\$2,150</i>

The ONLY additional fees that may be incurred are:

- Optional additional soloists and/or instrumentalists arranged through the minister of music
- Printing of the available church wedding programs (see p. 10)
- Optional aisle marker candles

A \$500 damage deposit is required for all weddings. The deposit is due 30 days before the wedding date and is refunded 30 days after the wedding date, barring no damage, failure to leave things clean, alcohol on the premises or overage in rehearsal or wedding time. *

50% of the Wedding Fee is due at contract signing; the remaining 50%, along with refundable damage deposit and any optional costs (additional musicians, programs, etc.) is due 30 days prior to the wedding. Late payments are subject to a \$100 late payment fee.

*Overages in time are defined as an event starting more than 30 minutes late or lasting 30 minutes or longer than the reserved time. The amount of the deposit withheld will be determined by the length of time and the hourly rate of the service provider whose time is extended (i.e. security, musicians, etc.)
