

Thomas Peek

With over 30 years of experience as a professional photographer, Thomas Peek has developed an eye to capture every detail of your story.

He is the artist behind the camera during your session and the expert working on post production, so you can share and remember your memories forever.

A Utah native, Thomas is known all along the Wasatch Front for his professionalism, high quality standards, and his artistic talent. He has photographed hundreds of weddings, ranging from small, intimate gatherings to large, ornate venues.

Follow Thomas Peek Photography on Facebook and Instagram to see his latest work. Currently, his photograph was selected to be on the cover of Wedding So Easy.
