

WELCOME

First things first, a big congratulations! Yea!!!

I'm so glad you're here, you must have made a connection to my work and imagined yourself in my photographs, holding tight to your loved one. And, to me, there is no better compliment than to have two awesome people trust me fully to document their story of love in my own way, quiet, yet fiercely. But before we go further, the most important thing to remember while searching for a photographer is, are we a good fit? The way I look at it is, you need to trust them and like them as a friend.

I'm going to be by your side from those vulnerable moments of seeing yourself in the mirror, dressed and ready to go, tears falling softly, to those silly and probably slightly embarrassing moments on the dance floor once that champagne kicks in (David Brent dance)! It's having trust in our friendship that I fully support you and your vision as a couple. That my job isn't just taking photos, it's going above and beyond to make the day as smooth as possible. Knowing fully that I'm there for you!

So, if that sounds good to you, then let's do this!

*"Webster's dictionary defines wedding as "the fusing of two metals with a hot torch."
Well, you know something? I think you guys are two medals, gold medals."
-Michael Scott*

CHEERS, BILL

BILL MARSHALL PHOTOGRAPHY

My job as a photographer, as a storyteller, is to capture those little details for you to keep forever, as an heirloom.

Hello! I'm Bill, I live in Southern New Hampshire with my beautiful wife and adorable yet cheeky children. I've loved photography since I was 10 and have been so lucky to make my passion my career.

In 2006, I graduated with honors from the New England School of Photography. I've captured hundreds of amazing weddings from a backyard get together in Maine to a private island 3 day wedding in Miami. Some of my work has been featured in some wonderful publications such as The Knot New England, NH Wedding Magazine and National Geographic's Online.

It's really important to me, that my images are the most organic record of your day. I strive to capture everything as natural as it is. With a focus on the emotions, the mood, the interactions of your guest. I even want the portraits of you two to feel authentic, so I encourage you to be yourselves, relax, I'll guide you through posing while focusing on the amazing background you've chosen and the natural light we have. This, in my opinion, is how we get those photographs that you'll want to look back on in 10, 20, 30 years from now.

WHY DO SO MANY COUPLES GET PROFESSIONAL ENGAGEMENT PICTURES?

IT TURNED OUT TO BE FUN

If you don't normally like being photographed, an engagement shoot is a great way to discover that being the subject can be great fun! I also really appreciate getting to know you more before your wedding, and you also get an idea of how it will feel having me as your photographer on the day.

TIME TO EXPRESS YOURSELF

Use this time to express your personality as a people and most importantly as a couple. Make it fun and casual, and just enjoy some quality time away from wedding planning and the rest of the world.

CHILL AND RELAX

Your engagement session will give you at least 1.5 hours – to escape & realise you really are married and to have some time together. At the same time we will take some photos, I'll give you some light direction for the occasional shot, but most of the time I'll just let things happen. It will be lots of fun!

WHAT TO WEAR

Wear something that makes you feel confident and comfortable. You can combine bold colors, patterned fabric with some casual accessories. Feel free to explore and get creative with your wardrobe!

LOCATION

This is the fun part! Do you love to hike? Maybe you're into relaxing on the beach or sipping bloody marys at brunch. The most important part is to be authentically you.

FAQ

HOW MANY IMAGES ARE INCLUDED?

Each collection varies, as does each wedding day, but at a minimum, you'll receive 50 images per hour. For example, 6 hours of coverage gets you 300 photos.

DO YOU GIVE RAW IMAGES?

Nope. Editing is half the magic of modern photography. What made you gravitate initially to my work is my unique editing style. I want you to have a polished and finished product. You will receive the high-resolution jpgs that can be printed to poster size if you wish.

WILL WE GET THE COPYRIGHT RELEASE?

YES! With this, you'll be able to print your images on your own.

DO WE HAVE TO ORDER PRINTS THROUGH YOU?

I highly recommend ordering prints through my professional lab, but it is not required. There is a difference in quality between labs, but I'm here to help.

WHAT SETS YOU APART FROM OTHER PHOTOGRAPHERS?

Aside from being a veteran of the industry with over 16 years of experience, my style is more authentic and natural. I have my methods that work really well even for the shiest of folk.

FAQ

DO YOU TRAVEL FOR WEDDINGS?

HECK YEAH! I love to travel and have stepped foot on over 20 countries. I do have a travel fee and here is a quick break down. If you are marrying outside of New England, I'll send you a custom quote after we talk in more depth.

NEW ENGLAND

.50¢ per mile beyond 75 miles round trip

USA

Roundtrip flight from Boston (BOS) or Manchester (MHT)
2-night hotel stay | rental car

INTERNATIONAL

Roundtrip flight from Boston (BOS)
5-night hotel stay | rental car

CAN WE SET UP A TIME TO MEET?

Of course! I like to initially meet virtually over FaceTime or Skype. Everyone has busy schedules, so let's start there. Once we know we're a good fit, then we'll meet for coffee or a drink. The connection we have together is really important, so we'll spend time getting to know one another.

WHAT IS YOUR FAVORITE TV SHOW?

Ok, possibly the hardest question to answer. The Office (US), The Simpsons (earlier seasons), Peaky Blinders and Amazing Race. Now I feel like I watch too much TV because this list could go on and on...

ARE YOU READY?

LET'S GET ON THE SAME PAGE!

You probably have a lot of questions right now. Wedding planning is a daunting task. I'm here to help and happy to answer any and every question. Let's chat over FaceTime or Skype to start. I got you, don't worry!

CONTRACT + DEPOSIT

HECK YEAH! At this stage, I'm part of your big day! I'll send you the contract that you'll e-sign via HoneyBook. Once you complete that, the invoice will pop up. I require a 25% non-refundable date retainer. The balance is split up into 3 payments to be paid in full the day of your wedding.

THE PUZZLE PIECES

Now for the fun part! We'll be planning everything in great depth. With the use of questionnaires, meeting for a drink and or chatting on the phone, we'll dot all our "I's" and cross all our "T's." All the details will be covered and thus making for a smoother more fun wedding day.

HOORAY

A romantic couple is shown in the bottom right corner, embracing. The background features a tall, white lighthouse with a black top, situated on a rocky cliff. Several houses with red roofs are visible behind the lighthouse. The scene is set against a clear blue sky, suggesting a bright, sunny day.
