## WEDDING PHOTOGRAPHY

Bryan Mckenny is an portrait and wedding photographer, based in Jackson, Mississippi – but I'll take any opportunity to travel! Wedding photography is not for everyone with an camera. You really have to have the patience and passion to do the job well. Only when you become motivated by the pleasure and joy when a client see the finish product that is when you will become a successful wedding photographer!

THE

# DETAILS

A photograph of a Black couple in formal attire. The groom is on the left, wearing a dark suit and tie, kissing the bride on the cheek. The bride is on the right, wearing a white dress and a large pearl earring. She is holding a white rectangular sign with the text "i Said YES!" written in black marker. The background is softly blurred, suggesting an outdoor setting with greenery.

## ENGAGEMENT SESSIONS

Your engagement session starts at our studio and/or the location of your choice for a series of artistic and/or lifestyle portraits.

We recommend an engagement session to all of our brides and grooms. It's a must have! It gives us a chance to get to know you!

STARTS AT  
**\$300**

## WHAT TO BRING

Wardrobe changes are recommend. Bring 1 dressy outfit and 1 casual outfit. We have a pop-up tent that we can bring if we go to a location that doesn't have a changing room. Bring anything that is sentimental to you. Don't worry about posing or looking "awkward" in photos, we will make sure you are posed correctly and look your best! Getting to know you, putting you in a relaxed state of mind and making sure you and your spouse feel totally at ease will be our number one priority
