

# Venue Rental Rates

As a nature-oriented nonprofit, we understand what it's like to work on tight budgets, which is why we've set our rates to be fair and affordable. We want you to be focused on the beauty of your special event -- not how much it costs! Weekday events (Monday through Thursday) are priced hourly according to the spaces and times rented. Friday through Sunday are weekend rentals with flat-rate pricing and longer minimum rental times.
