Photographer hourly rate is \$75.00/hr for the first five hours then \$100.00/hr thereafter. The following are guidelines for **prints** requested from the photographer.

The minimum size for prints is 8" X 10" and the largest size is 36" x 24". S. Falan Photography utilizes a professional printer that has many options for sizes, materials (canvas/papers, and finishes and retouching).

For each image that is retouched and printed on 8" x 10" matte or glossy paper the cost is \$22.00. The client will receive an electronic file for each portrait that is purchased. Once the electronic file is received from the photographer, the client may use the file for their own purposes and will receive a copyright release from the photographer. Electronic files can be purchased without prints for \$15.00 each. Once the electronic file is purchased, many assorted print sizes are available.

Sample sizes and costs are as follows when printed on matte paper

8 x 10 \$22.00  
11 x 14 \$30.00  
16 x 20 \$45.00

Mounting such as gator board is used to make images more durable and is available at an extra charge.

8 x 10 \$10.00  
11 x 14 \$15.00  
16 x 20 \$20.00

Spray finishes add a finished quality to all portraiture.

8 x 10 \$6.00  
11 x 14 \$9.00  
16 x 20 \$12.00

Extensive retouching (glass glare, brace removal, switching heads etc.) is an extra charge of \$15.00 per subject per image.
