hello there!

I'm Josh Rose ~ A Wedding & Elopement
Photographer in Carmel, California

I'M A FUN LOVING GUY WITH A HEART FOR PEOPLE & VISUAL STORYTELLING.

I'm so thrilled that you found my work! Whether it was through social media, a referral, or a local vendor, I'm honored to hear from you!

Congratulations on this next journey together and I hope to show you a little more about who I am & the process of working with me! With all of the talented photographers to choose from, it can be overwhelming to find the right fit. As a full-time photographer for the last 7 years, I've come to realize that my real passion is connecting with my clients at a genuine level and providing an incredible and unparalleled wedding day experience from beginning to end.

I strive to make everyone feel comfortable in their own skin. With my calm demeanor, and years of professional experience by your side, I strive to capture heartfelt moments that are authentic, real, and display your love for one another, not just traditional poses. I would be honored to photograph one of the most meaningful days of your life with open arms, my creative eye for detail, and a smile on my face. If this sounds like something you and your loved one would be interested in, I urge you to say hello. I can assure you that we will create something incredibly special for years to come.

WHAT MAKES ME UNIQUE?

I love photographing weddings! They are incredibly beautiful, intimate, tear-jerking, romantic, awe-inspiring, and life changing. And therefore, I hold my job with high level of professionalism and responsibility. I love what I do because I get to create in a space full of positive energy, candid emotion, and beautiful scenery.

I get to meet the most amazing couples and families, and connect with people at such a genuine level. I may feel like a fly on the wall at times documenting your day, but I am never shy to give out hugs, shake hands, and make those around me feel welcomed and comfortable.

In addition, I capture amazing moments that last forever. When you book with me, you're getting a new friend, and that's why I love what I do.

Sincerely, Josh

FAQ

WHERE IS HOMEBASE & DO YOU TRAVEL?

I'm based in Carmel, California. I shoot mostly along the coast from Carmel down to Big Sur. As well as in San Francisco, Napa, and Los Angeles. I LOVE to travel and will go anywhere in the U.S for an out of state wedding! I've photographed weddings in Washington, Oregon, Hawaii, & Minnesota. Please inquire about travel fees.

CAN WE BOOK YOU FOR ONLY A FEW HOURS?

Yes! Absolutely. My most common package is 8 or 10hrs, but I'm happy to accomodate a custom package for my clients! Don't be shy!

WHEN WE WILL GET OUR PHOTOS?

I send 20+ sneak-peek photos within 48hours of the wedding day, so you'll have photos to share with family and friends until the final gallery is finished! Final galleries are delivered between 8-16 weeks from the wedding date.

CAN WE SEE A FULL GALLERY?

Yes! I always send over several full galleries for couples to review. This is the best way for clients to see the beginning to end product, and what to expect for their wedding day experience.

I'M READY TO BOOK! WHAT NEXT?!

Awesome! To reserve your wedding date, I require a signed contract & a 50% deposit payment. I cannot hold any dates until both of these items are received. The remaining balance is due within 30 days prior to the wedding date.

Lets do this!

I am so excited that you found a connection to my work, and I look forward to hearing about your amazing wedding plans! Please reach out with inquiries & questions. You can get in touch with me by email, phone, or facetime. Happy to meet in person for coffee too!

Thanks again for your time, and I look forward to hearing from you soon.

*Warmest regards,
Josh*
