## MEET ANNIE

---

I'm ANNIE, the owner & principal photographer of Annie Hock Photography. I love being able to share in the love of two individuals and feel blessed to get to work with such wonderful people each day!

Based out of Beaufort, SC, I've been shooting weddings for over ten years now. With over 200 weddings under my belt, I can confidently say choosing your wedding photographer is a big deal! Wedding photographers end up being so much more than just that. We are your creative directors for the day. You need someone you can trust. From choosing your photo backdrops to making sure we time sunset just right, I can confidently say,  
I GOT YOU!

After graduating from California Polytechnic State University in 2007, I started documenting weddings of friends and family to build up my portfolio. In 2010, I went full-time and started my own studio and in August 2023 moved to Beaufort, SC from Central Coast, CA. It has been a long journey with lots of JOY and struggles along the way, but I couldn't be more thankful with where I am now with my business.

Get comfy as you browse my work!

# on the WEDDING DAY

what's it like to have me around?

1.

Arriving extra early on your wedding day, I'll introduce myself so that everyone knows me and is 100% comfortable with me. I'm more like an old friend on your big day. I love getting ready detail photos and gorgeous bridal portraits!

2

Candid photos are my speciality! You and your friends and family will be having such a blast in a whirlwind of excitement and it's my job to capture all that energy for you!

3

Sunsets are my absolute favorite! I always try to plan your day so that you're gone as little as possible but you get the epic sunset photos of your dreams. Timing this just right is so important!

4

Everything I do will be done with as much love, respect and care as I can give. My goal is to make my photography fun and easy for you and your guests.

## YOU HAVE QUESTIONS

---

Q: What sets you apart from other photographers?

A: I've been told by my clients, I feel like an old friend. Which is really helpful on your wedding day. With over 10 years shooting weddings, I know how to pose and guide clients to make them feel relaxed while looking their very best. I use natural lighting as often as possible and make sure my sessions are intimate, fun and relaxed!

Q: Will we get the print release to our photos after our wedding?

A: Yes! Upon receiving your images, you will also get a full print release.

Q: How many photographers will be there at our wedding?

A: All of our wedding collections come with a single photographer, and Collection 3 comes with a second photographer, but you are more than welcome to add a second shooter for an additional cost to any package.

Q: Will my photos be posted publicly on your site or social media?

A: I respect your privacy and allow each client to decide whether or not they want their photos displayed publicly. I'd love to show off you & your images, if you're game! If not, that's okay, too. I love to blog your wedding on my website for you and your friends and family to see!

Q: How many photos will we receive?

A: That depends on your package. I typically say you get about 80-100 photos an hour if there is a single photographer and more if you have a second photographer .

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Minor edits will be made to all of your images, but I believe our imperfections are what make us beautiful & unique. If there are specific edits you want, these will be charged according to the number and complexity of edits.

## I HAVE ANSWERS

---

Q: When will we get our photos?

A: Typically you get your wedding photo gallery 30 days from your wedding date. Sometimes a few days earlier depending on how busy we are!

Q: Do I have to order prints through you?

A: I highly recommend ordering prints through my professional vendors, but it isn't required. The difference in quality is huge when it comes to ordering through a professional lab, so I always love to help with prints. You can order them, right from your gallery too. Easy peasy!

Q: What equipment do you use?

A: I use all of the latest Nikon equipment. I always carry two Nikon z7II, 50 mm lens, 24-70 mm lens, & the 85 mm lens, among other items. I always have a backup camera body as well.

Q: Do you photograph destination weddings?

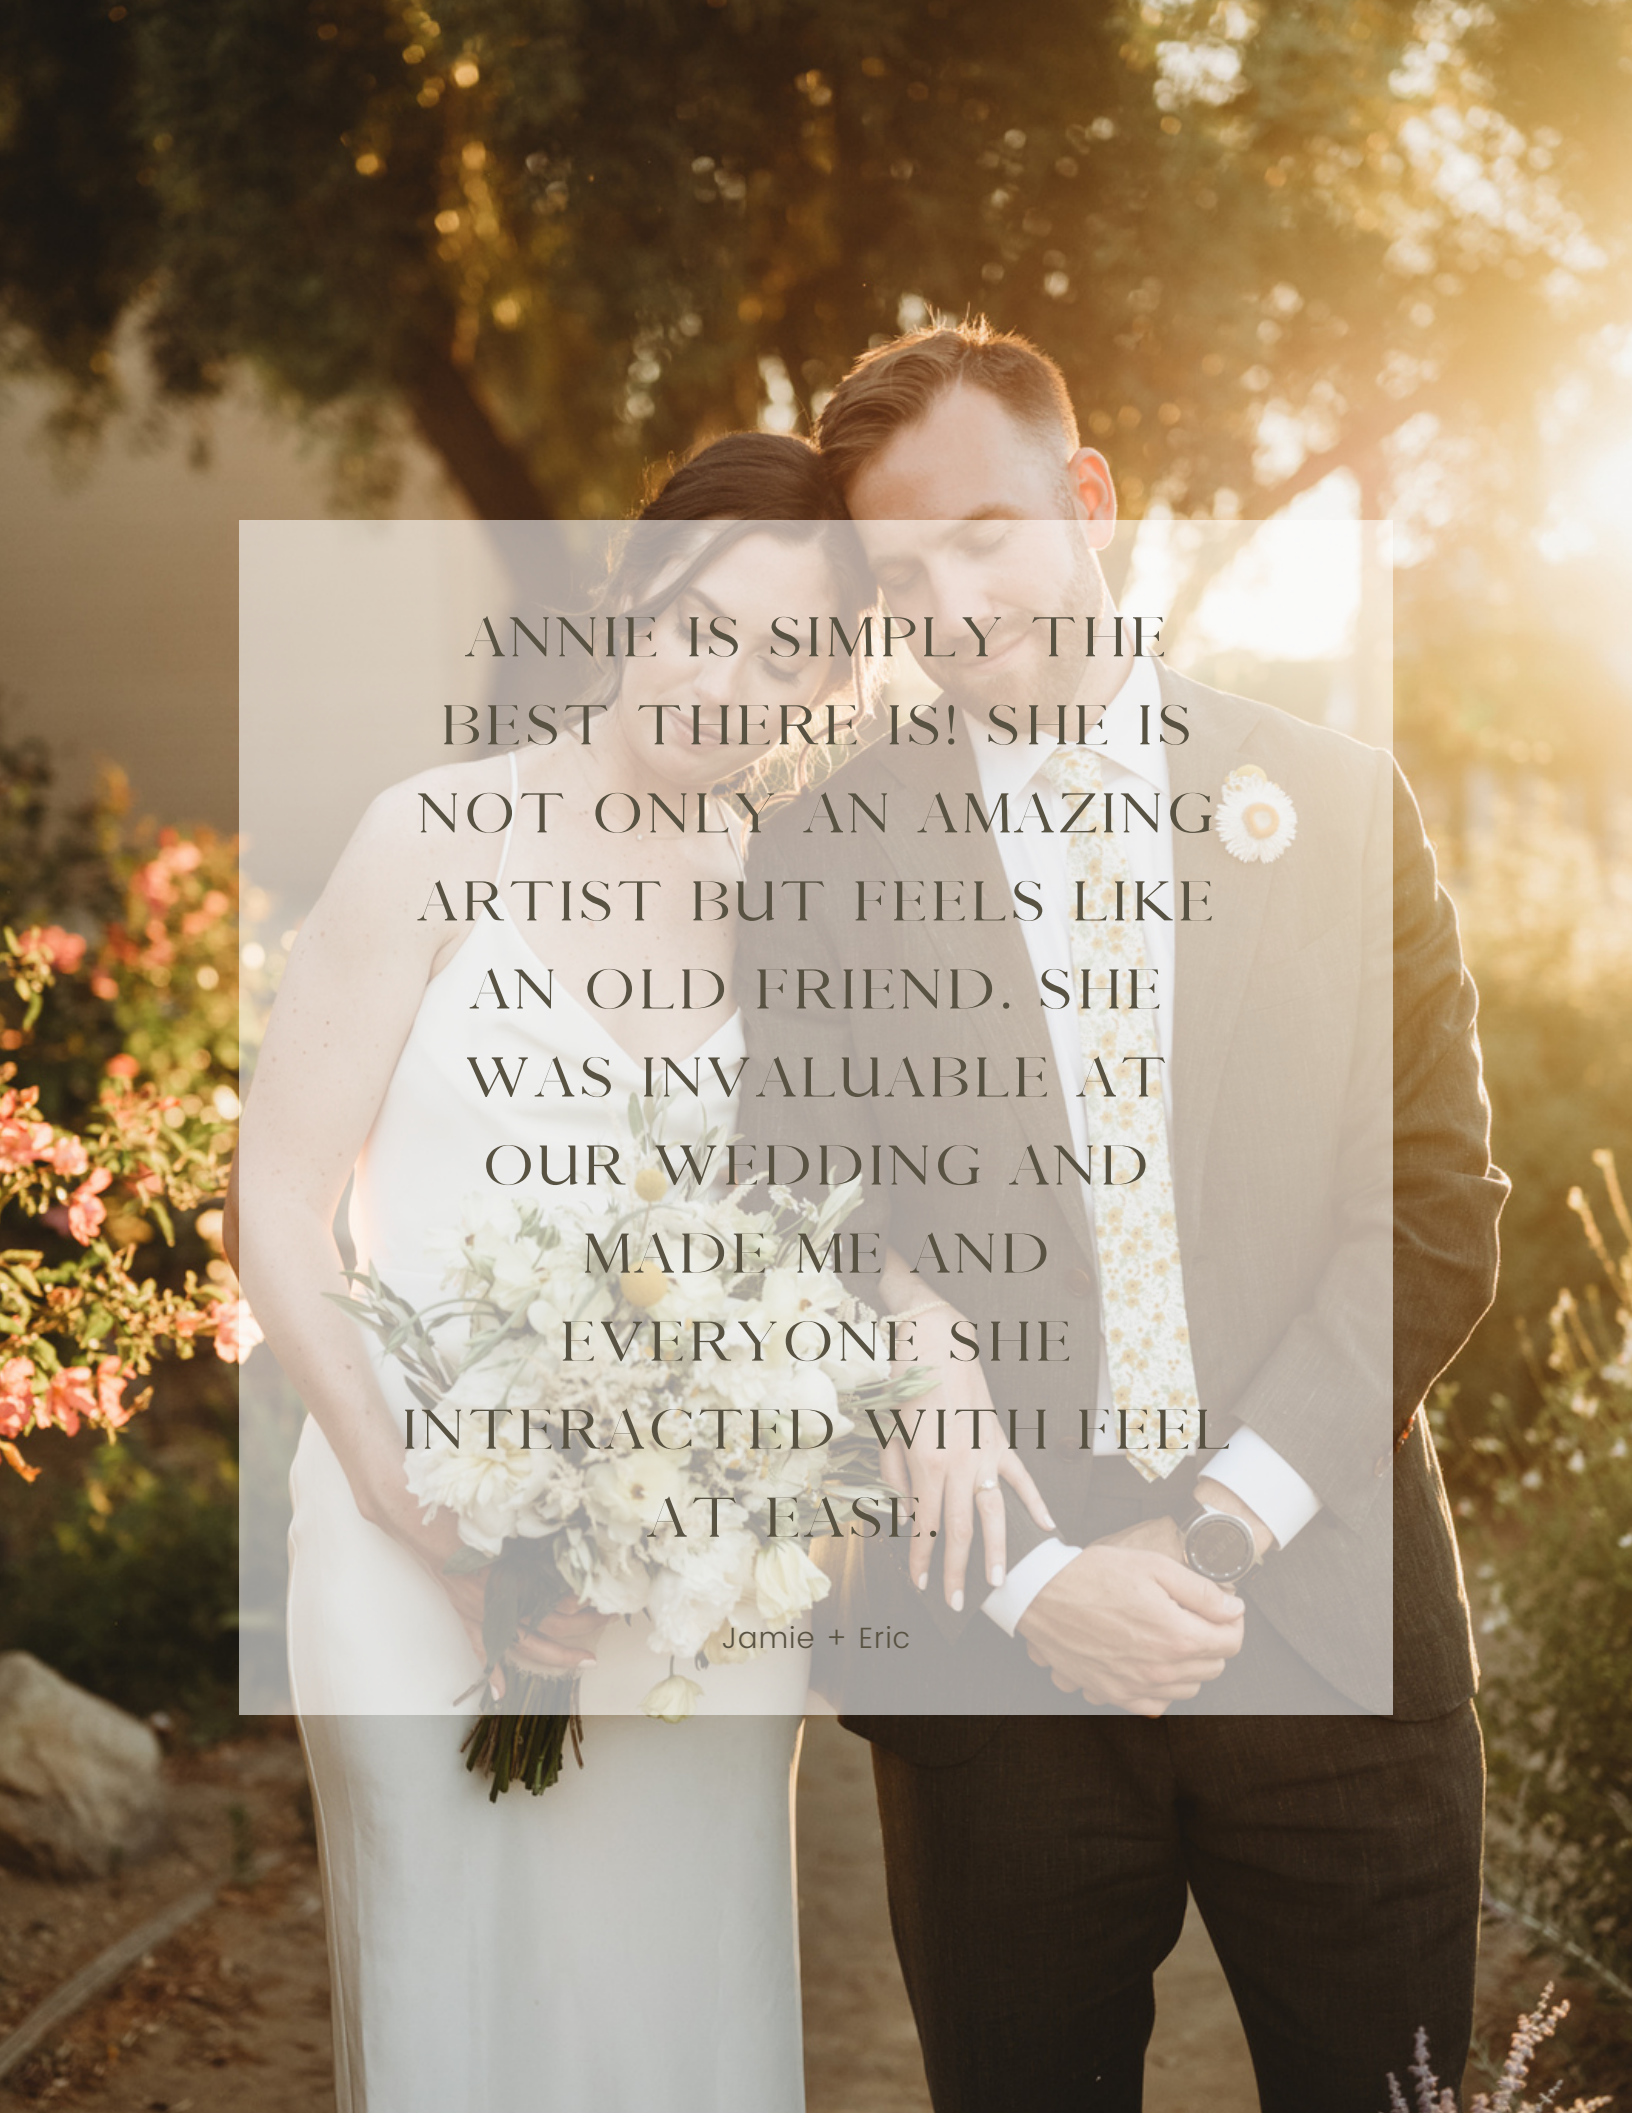

A: Yes! I've shot a few destination weddings and am more than happy to create a custom wedding collection to suit your travel needs.

Q: Are the people featured on your site models?

A: Nope! Not a one. While I am lucky enough to work with gorgeous clients, all of the images shown on my site and blog are of regular, paying clients.

Q: How do we reserve our wedding date?

A: A 30% deposit & signed contract is required in order to get your wedding on the calendar. The remainder of your balance is due one month prior to your wedding. Just let me know you'd like to book and I'll zip over a contract!
