

Wedding Collections & Investment

What makes your wedding awesome?

Is your wedding party getting together in the morning for a paintball tournament? Are you having a minimalist wedding in the woods? Is your reception in an art gallery? Are you including your dog as the ring bearer? Are you leaving your wedding in a hot air balloon? Are you eloping on the mountainside and then going out for milkshakes? Are you exiting the reception during a paper lantern release?

Every couple needs something different from their wedding photographer.
