Frequently Asked Questions

(almost) everything that you wanted to know

DO YOU TRAVEL?

Yes! I love it and my passport is up to date.

DO YOU HAVE A PREFERRED VENDOR LIST?

Yes I do and I'd be more than happy to share!

DO YOU HAVE INSURANCE?

Yes I do! Please let me know if your venue requires a Certificate of Insurance and I will provide it.

WHAT KIND OF CAMERA DO YOU USE?

I shoot with a Canon 5D Mark III and IV. I also have numerous Canon lenses, lighting equipment and back-up gear that I bring with on a wedding day.

CAN YOU TAKE THIS AWESOME PHOTO I SAW ON PINTEREST?

I love Pinterest and would love for you to share your board with me! However, due to different conditions, it's nearly impossible to exactly recreate an image. Not to mention, you don't want an exact copy of someone else's photo. You want the photo that's going to get Pinned! So show me what's inspiring you and we'll create something amazing together.

DO WE HAVE TO ORDER PRINTS THROUGH YOU?

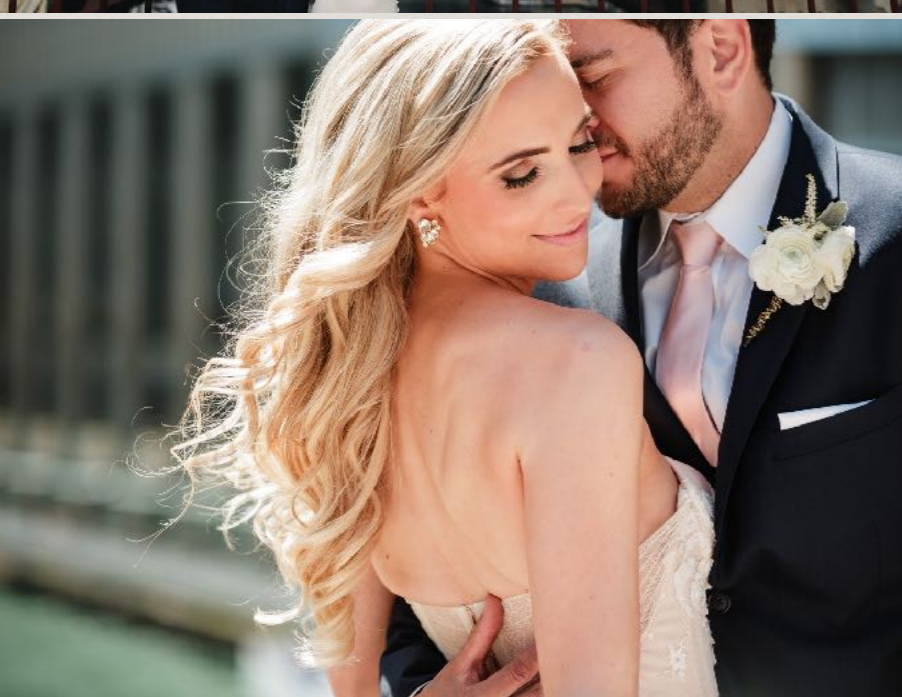

Nope! Prints are available through the online gallery, but are not a required purchase. You have a print release and may print your photos at the lab of your choice. I do highly recommend ordering larger prints you plan to frame from the online gallery. The difference in quality is huge when it comes to ordering through a professional lab!

HOW LONG DOES IT TAKE TO RECEIVE THE PHOTOS? HOW MANY WILL I GET?

My turnaround time is anywhere from 10-12 weeks from your wedding date. Don't worry, you will get some sneak peeks on social media during that time. Depending on the day, a typical wedding gallery will contain a mix of around 700-900 color and black & white images.

HOW DO WE RESERVE OUR WEDDING DATE?

A 20% deposit and signed contract is required to get your wedding day on the calendar. The remainder of the balance is due one week prior to your wedding.
