Elolements: the above prices apply, plus an additional charge calculated based on miles traveled & location in which we stay.

All packages include edited images from each “segment” of the day covered delivered via thumb drive. You will receive every image taken.

example of segments:

- Family photos
- Wedding party photos
- reception

I would like to have an “order of events” sent my way so that I can plan where to be when. We will communicate about which aspects of your day you absolutely want covered, and will produce a “check list” of “must haves,” “would like,” and “if there’s time.”

That being said, “expect the unexpected!” Some of the best photos come from the unplanned moments.

I look forward to working with you to capture the magic of the day!
