Testimonial:

"Sheryl did an amazing job at our wedding!!! I was beyond stressed the morning (yes, a morning wedding!) of and I felt like negativity was just seeping through my pores at one point. Sheryl not only delivered a beautiful, extremely personal ceremony, but she radiated a sense of calming that everyone around us was able to feel. She sent us a form prior to the wedding that included questions about our relationship and then she transformed our answers into exactly the kind of ceremony that we wanted. She was serious and professional when needed and she laughed with us when it was appropriate. After the wedding, she had her (COMPLIMENTARY) photographer, Skyler, take our photos. Skyler was also very professional and sweet. I am so happy that this duo was recommended to me, they truly made our wedding"
