Bar Selections for Wedding Receptions

A Note to the Host:

We want your wedding reception to be a success, so we have created a variety of beverage options to fit your style & budget. For your convenience, bartenders are included in the rental rate to serve your guests through the duration of the evening, regardless of which package is selected. Listed below are the bar options for Belvoir wedding receptions. The following page lists beverages which are normally stocked in our bar. All alcoholic beverages must be purchased through Belvoir Winery & served by our staff. Please make all bar arrangements and payments, including special order(s), with the event coordinator at least 30 days prior to the reception. For every 12 bottles of wine purchased, we offer a case discount of 10%. An automatic gratuity of 18% is applied if the Renter purchases alcoholic beverages for guest consumption. Bar service will end at 10:30p for October through April weddings, or 11:30p for May through September weddings. Ask our staff which option is right for your wedding. We would be happy to help!

Option 1. Open Bar

Open bar options for those guests 21 years of age & older:

A. *Unlimited Beer & House Liquor Drinks, $15.00 per person.*
B. *Unlimited Beer & Belvoir Wine, $19.00 per person.*
C. *Unlimited Beer, House Liquor Drinks & Belvoir Wine, $20.00 per person.*
D. *Unlimited Beer, Premium Liquor Drinks, Belvoir Wine, $30.00 per person.*

With the Open Bar options A.–D. we require all other guests not participating in the open bar to have unlimited non-alcoholic drinks for $2.00 per person. For example, for 200 guests, 150 drinkers will have option B. for $19.00 p/p, and 20 non-drinkers will have non-alcoholic beverages for $2.00 p/p. Gratuity of 18% & taxes apply.

Option 2. Combination Host Pay & Cash Bar

The host provides a fund to the bar & selects which beverages can be purchased using the fund. For example: the host gives Belvoir $1,000 for beer and wine drinks, but not liquor drinks. When the tab concludes, guests may still purchase drinks as cash bar. Any amount can be allocated to the bar. Through the duration of the reception, funds may be added to the original tab amount too. Gratuity of 18% & taxes apply.

Option 3. Drink Tickets

The host may create drink tickets for each guest. Drink tickets are brought to the bar, which are tabulated by Belvoir staff, and paid for by the host after the reception. On the ticket, please include which beverage(s) the ticket will license the guest at the bar. The host must keep a credit/debit card on file at the bar for this option. Gratuity of 18% & taxes apply.

Option 4. One Drink for each Guest

The host may provide one drink for each guest, at a specific time during the reception. Otherwise the bar is a cash bar in which guests purchase their own beverages. This option must be arranged in advance, and is commonly used for a celebratory toast using champagne or wine bottles. Gratuity of 18% & taxes apply.

Option 5. Cash Bar

Have guests pay for their beverages at the bar without cost to the host. All drinks that are normally stocked in Belvoir's bar will be available. Taxes are applied per drink.
