

About the facility

The Zan Guerry Clubhouse at Manker Patten Tennis Club is a spectacular private venue located downtown Chattanooga with views of the beautiful Tennessee River.

The Clubhouse was built in 2006-2007 and features over 5,000 ft² of space, slate flooring & cherry wood throughout, 3 sets of 12ft bi-fold doors leading guests outside to the large walkout deck and wrap around balcony. Below, guests can enjoy the newly revamped Riverfront Lounge & Terrace... an outdoor covered & uncovered space just perfect for cocktail hour, outdoor yard games, a photo booth, and much more; this space is also equipped with a 65" flat screen TV and bistro lighting!

Just a few steps from the Clubhouse, guests can enjoy a short river-walk to the Ginny Power Garden! The garden is beautifully landscaped with classic English green and white plants and flowers in the garden, and several large flower displays throughout, two gazebos draped with white curtains, and a candle-lit dinner setup for the bride and groom after the ceremony! Brides looking for a "green" eco-friendly wedding ceremony will surely love the garden!
