At **FIRST** Click Photography

Hi There!

I'm Paul, your photographer. Thanks for stopping by!

**I have 3 insanely adorable, rambunctious kids,
who keep me on my toes and make life fun.**

**I met my amazing, and beautiful Wife in 2014 while shooting a film,
and we have been joined at the hip ever since.**

**Photography makes my world go round,
and there are few things I love as much as documenting memories
that will last a life time.**

I love the outdoors, sports, and coaching when I'm not a full-time Dad.

**Photography has been so much more then just a job to me
and it has introduced me to some of most amazing friends I've ever had.**

**My goal as a wedding photographer is to document
each priceless moment of your wedding day with great focus on the details
of the wedding preparation, ceremony, reception
and any before and after special customs. Emotions speak louder than words
and I strive to capture them in an artistic fashion. I combine photojournalism
with formal and traditional photography. During the formal picture times,
we will stage lots of fun and artistic poses of bride and groom, wedding party
and family members at different locations of the wedding venue.**

**The rest of the time, I will be looking for opportunities to capture
candid moments during the ceremony and reception in an unobtrusive way.**

**My clients make my job the most rewarding thing I do with my life
besides becoming a husband and father.**
