Thank you for contacting me for my wedding photography services. The following is a little description of the services I offer.

You can customize a wedding collection to fit your own needs. All major credit cards are accepted and you can break the wedding collections into a payment plan. Any possible extra additions like the Flush Mounted Fine Art Wedding Book can be noted in the contract and paid for at a later time after the wedding and in payments. Subtraction of items like slide show, website, or customizing of 100 images does not effect price.

High-resolution files: about 1,200 - 1,600 edited wedding images of the entire wedding. You can have unedited if you want as well. Your favorite 100 images customized in special color and b&w filters, including free touchups. You will be able to print and duplicate from all high-resolution images.

Additional photographer: You would receive about another 600-1000 additional high-resolution images of the wedding, which you can print from as well.

Payment plan: You can break the wedding collection into 2 to 3 payments and you can pay by credit card if you wish to. Example: 1st payment is to hold me for the wedding day, the 2nd payment is due halfway down the road, and the final payment is due 1 week before the wedding date.

Wedding contract: I can send you a sample contract explaining all the details of what you are getting in the wedding collection such as additions, possible upgrades, and etc. I can e-mail it to you to view, and it is very easy to understand.

Full day coverage: I usually photograph up to about 7-10 hrs., but can do longer at no extra charge. I usually like to show up about 3 hrs. before the ceremony, and leave about 30 min.- 1 hr. after the last important item is finished, such as cutting of the cake or etc. I can however stay till the end or adapt to any time frame, at no additional charge. If you only need me a few hours, because it is a boutique wedding, a wedding not on a typical wedding day, or etc., I can possibly negotiate a less amount for the wedding collection.

Engagement sessions can take place in the Wine Country or S.F., which include multiple wardrobe changes if you want. There is no charge for travel.
