## Wedding Design

By the time you receive your album or prints, we'll likely have had 4-5 meetings with you. Through these meetings you will view our products and get to know us, and book your date with a deposit. We also set up the engagement session date an optional pre-planning meeting, and then we have a final planning meeting a week before the ceremony! The Red Carpet meeting is the final one that helps you determines which pictures make the album design.

## Day of Shoot

On your session day you can expect us to coordinate with all the vendors involved, be flexible and facilitate for the best photos. Engagements and senior photos it's best to wear comfortable clothes and also bring a few extras to change. Fine detail in clothing, such as check patterns do not show up the best.

## Album Design and Production

We specialize in artistic album design and offer prestigious custom covers. Our 100% handmade albums use the industry's greatest products, including Durst and HP printers, Kodak photographic papers, archival materials, and fine Italian leathers. All of our products are backed by a production warranty and our Flushmount Albums are backed by a lifetime warranty for normal wear and tear.

## Image Storage

Our session images are stored on external hard drives indefinitely. We also back these up to a duplicate set of hard drives that we keep in a separate location. If you lose your copy in a few years just ask!

## Ordering Prints

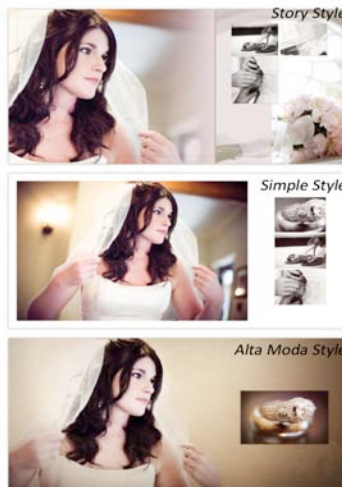

We have a fabulous print and product ordering system online, that you can link to directly from our web site. It is password protected and it helps save you time trying to order all your friends and family print requests. With every 11x14 or larger you order you receive a complimentary 4x6-8x10 of the same image.

## Payment Options

A deposit is required in order to reserve your date with us. It's only 30% down, and the rest can be paid in installments. Final payment is required for weddings before the ceremony.

## Delivery/Pickup

For Collections and large Wall Art we will proudly deliver and hang the prints where you would like in your home. Pickup of album and prints will occur at Studio 66.
