AFTER GLOW SESSION

What is an AFTER GLOW SESSION YOU ASK!

Let's paint the picture: It is your wedding day and things are running behind and you only have 15 minutes for your bride and groom portraits!! UGGG I probably hate this just as much as the couple because I love love portrait time.

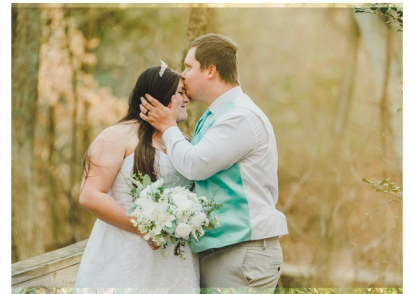

NOW to explain my After Glow Session. This is a bonus bride and groom portrait session that happens after the wedding. Either the next day, the next week or the next year.

We schedule an hour long portrait session at a location you choose. The best part is, that the bride gets to put her wedding dress back on!

I love this session because we get the opportunity do all those fun poses we missed at the wedding because of time. It is just such a fun no stress portrait session.

That is what an After Glow Session is!

I would love the opportunity to schedule this session with your wedding package!!
