2023 ~ 2024 Brochure

Why Ma Maison?

Ma Maison is not just a wedding venue but an Experience! An experience that you, your family, and your friends will cherish and create a lifetime of memories of you both on an amazing day. Your day!

Romantic Hill Country European Style Venue

The stone & gated entrance welcomes you to the estate with an unmistakable European ambiance.

Ma Maison is nestled on 23 acres in the historic Texas Hill Country town of Dripping Springs. It was intentionally designed and built to embrace the countryside of Europe while incorporating the serenity of home. Ma Maison, French for “My Home” is of European-style architecture, with expansive gardens throughout the estate. Once you drive through the main entrance you will be surrounded by wildflower-covered meadows, golden sunsets, and starry skies.

A Texas Hill Country secret treasure, a hidden countryside gem with privacy and plenty of guest parking. We love the lovely classic European look of the venue and grounds and its versatility. Whether your wedding dream is a beautiful outdoor ceremony, an elegant seated dinner, or a cocktail-style dance party, Ma Maison is a perfect romantic escape to your event!

Kind words: Kaylie - Bride

“The unpredictable weather in Texas can make planning an outdoor wedding challenging. Ma Maison offers both indoor and outdoor options, with plenty of space for guests. We chose Ma Maison because of the flexibility in ceremony options as well as how the venue captures my overall vision, mixing both elegance and the countryside together. All of the vendors on the preferred list have been great to work with. I feel less overwhelmed knowing there are trusted vendors who know the space and will be able to make the day of my wedding seamless and enjoyable. My wedding is in good hands and I am so excited for this dream day to come true!”

Kind words: Daniel - Groom

“As the groom, I wasn't exactly sure what my role was supposed to be with this whole “wedding” thing. I knew a few things for sure: I loved my fiancé, I wanted to marry her, and I wanted us to have an amazing celebration with our loved ones to start off our lives together. But beyond that, I was a bit clueless. . Of course, we signed with Ma Maison to reserve our special day. Ma Maison has been nothing but attentive and responsive the entire time as we've called/emailed/texted at least 2-3 times a month since this entire process started.”
