YOUR PERFECT WEDDING PHOTOGRAPHY EXPERIENCE

## ABOUT ME

I'm a fully insured, full time wedding and portrait photographer based in Nottingham. I live with my wife Rebecca, our daughter Florence and our Australian cattle dog, Bailey.

Over the last 8 years I've had the pleasure of capturing many great couples, family portraits and a few high profile people - including the Queen!

If you like my style of photography and would like to find out more, just give me a call to arrange a chat, I'd love to work with you.

## MY STYLE

My style is a modern blend of natural documentary photography with subtle elements of fashion.

My passion lies in creating photographs that make you go wow!

Nothing cliché or over the top posing. Crisp and clean imagery with emphasis on quality over quantity.

## WHY CHOOSE ME?

You get 2 photographers and we photograph until late in the evening.

You're also welcome to come back to the studio to view all your photographs for the first time on the big screen with complimentary bubbly. A truly unforgettable and unique experience!

You won't find better for less!
