Things to Note:

A minimum of \$600.00 in total event day services is required to book a date. Travel is estimated by mileage from the artists/stylists location.

For parties with more than 12 services, 2 professionals may be required to accommodate everyone in a timely manner. We will do our best to confirm availability for a second professional

but cannot guarantee it without sufficient notice. Add on services on the wedding day may be accommodated if time allows. Wedding day service cancellations may be charged to the booking client/bride. Total services must be communicated 2 weeks prior to the event date for scheduling.

We accept cash, check, venmo, PayPal, and credit card. PayPal and credit card payments will be subject to a 3% additional fee.

Please schedule trial sessions no more than 2 weeks from the desired date range that you'd like to plan for. Due to scheduling on our end, it is very difficult to commit to a trial session several weeks or month in advance. We will likely have to make changes to the plans and would love to avoid that inconvenience for everyone if possible! We will be as flexible as possibly can with a goal to make the hair and makeup part of your wedding planning the easiest!

You will mostly communicate with Rachael in your correspondence regarding the booking and planning of your wedding day hair and makeup. Rachael is an artist and stylist and the founder of FaceofMakeup. You may be working with her on your big day, or you may be working with a member of her professional team. You will absolutely be aware prior to your trial session and wedding day of who you will be working with! You will also be scheduled with the same artist for both occasions to keep consistency. Just keep in mind that as we all work together, we cannot guarantee a particular artist upon booking unless it is within a short time frame of your wedding day and calendars are already set.
