To book your wedding day, a **NON-REFUNDABLE** deposit of 20% of the total amount is due at time of booking as well as a signed service contract. The remaining balance is to be due at the time the service is being rendered.

**\*\*COVID-19 POLICY\*\*:** Due to the current circumstances we are facing, if your wedding has been canceled on the agreed upon date after the signed contract and deposit is submitted I will not be able to issue a refund. However, I can accommodate by transferring the deposit over to the new date if it's available in my calendar. Deposits are still non-refundable. If the new scheduled date is not available, your deposit can be used for future makeup services and can be split between yourself and your bridesmaids. Only one rescheduling date is allowed per wedding. If you reschedule your wedding a second time, a new deposit is required to reserve the date.
