The Garden Terrace Room

The Garden Terrace Room's expansive windows, architecture, and regal hand-painted murals create the feeling of a grand European estate and set the scene for your sophisticated wedding. Outside the main ballroom, a beautiful tent gives guests a chance to enjoy cocktails outside while taking in the lovely surroundings. The Gardens frame the space in magnificent displays, accenting the romantic atmosphere with exciting bursts of color. Choose from our classic wedding collection or have our chefs customize a menu for an unforgettable culinary experience! Our tasting menu has a variety of delicious options you'll love, and our signature cocktails such as the light, bubbly Suncatcher "Champagne" with strawberry and fresh mint perfectly complement the bright, airy ambiance of the Garden Terrace Room.
