

Not everyone is looking for the same thing in a ceremony. I provide a range of ceremonies to fit your budget and vision.

My prices range from \$250 - \$600. I do charge an additional \$100 for rehearsal attendance.

The **Just for You** is my custom ceremony option. For the couple that wants their own unique wedding ceremony, we work together to create something that is one of a kind. Your level of involvement in this process can be whatever you want it to be. Just for You, custom ceremonies can include as many personal touches as you wish, anything from your own love story, to references about your hobbies, interests, favorite music or movies. There's no limit to what we can create together!

The **Mix and Match** ceremony gives you the option to choose the ceremony elements and wording that you want. With this ceremony every couple gets access to eight pre-created ceremonies, each with a slightly different feel.

The **Mix and Match** package also comes complete with a mix and match template (it is a google form, so it's really easy to use). With the help of the template, you can pick and choose the bits and pieces of any of the eight ceremonies, creating a more unique ceremony that speaks to you.

The Mix and Match ceremony can be personalized by adding a reading of your choosing, a paragraph designed by you, about your love story, remembrance of a loved one, recognition of children or parents, or a special unity ceremony, within the existing ceremony.

The **Ready to Go** ceremony is for the couple that wants a simple ceremony, with minimal fuss. You can include your own vows for this option.

The **Elopement** ceremony is for just the two of you. When you want something intimate, short and sweet.
