My goal is to document each priceless moment of your wedding day with great focus on the details of the wedding preparation, ceremony, reception and any before and after special customs. Emotions speak louder than words and I strive to capture them in an artistic fashion. I combine that personal touch with formal and traditional photography. During the formal picture times, we will stage lots of fun and artistic poses of bride and groom, wedding party and family members at different locations of the wedding venue. The rest of the time, I will be looking for opportunities to capture candid moments during the ceremony and reception in an unobtrusive way.

Each package includes my time as a photographer and assistant plus unique editing of all photographs. The couple will have full rights to the digital photographs and will receive them on a DVD. Additionally, I will post all photographs on a web album for family and friends of the bride and groom to view, download or print their favorite moments at no additional cost and without watermarks. Both web and DVD albums will display all photos in chronological order so that you can experience those wonderful moments again as they happened.

"Boudoir"

A great addition to your wedding package is a Boudoir portrait session. Let me explain our Boudoir Portrait session. Boudoir is a sexy new trend popular as a wedding gift from the bride to the groom. Our Boudoir Photography sessions are hardly x-rated, but more like PG-13 as in "Classic pin-up or Implied nudes". What that means is wearing little to no clothes but also not showing anything (like photographs from behind with a long Bridal Vail or photographs with you on your stomach in

your heels and jewelry). Most importantly choose outfits that make you feel confident and sexy. A good rule of thumb is: bring something white, something black, and something brightly colorful. A corset for instants will bring out your sexy curves. Also in addition to lingerie do not forget to bring shoes, jewelry and prop accessories "veil, coverup, ect...!" Your photography session will be for two hours at the romantic location of your choice. We will get you to flirt a bit and capture some fun and artistic moments to express your true love.
