Your Investment:

A lot goes into planning a wedding, and finding a photographer is a big part of that planning. My goal is to simplify things for my clients. To do this I offer a flat rate service of \$250 an hour with a minimum of three hours. For my clients booking me for five plus hours I also include a free engagement shoot.

This fee included all of the high quality edited images on a USB with full rights to use them as you wish. My top priority is my client's happiness. Please reach out to me if you have any questions or would like to discuss your upcoming wedding. I look forward to hearing from you!

Best,

Nathan Peck
