An Invitation From Tony Moio

Dear Bride to be,

It all goes by so fast - even your wedding day can become a blur. It's my job to make your wedding more memorable, more savory, more special.

Our wedding cakes are famous for doing just that.

We start with a white batter cake with a touch of almond flavor. It's then filled with a buttercream that has cherries, pineapple, toasted almonds, and a hint of rum flavor mixed through it. That's our famous, traditional "Cherry Nut Filling".

Or, how about fresh strawberries in buttercream? Raspberry buttercream or chocolate fudge filling would be delicious as well! Of course, you can create your custom cake to your own taste and budget.

No matter your size of gathering or your style of menu, Moio's can create a wedding cake no one will forget...the crowning touch to your special day.

Although our cakes are considered gourmet creations, our price is quite reasonable starting at \$3.95 per slice. Deposit and delivery fee apply.

Call me at least 4 months in advance of your wedding day to arrange a private tasting so you can experience our quality and share with me your vision for your wedding day. I will help you choose the perfect cake for your style and budget.

I look forward to meeting you.

Tony
