

Passionate Perspective Photography

Photography Package Pricing

Award winning fine art photographer offers event and personal photography services. Passionate about her craft, Candy Delaney creates beautiful heirloom works of art capturing the essence of your photographic needs.

My wedding packages start at \$1500.00 for 6 hours of coverage and go up from there as customized. The basic package includes rights to all post processed high resolution digital photographs provided on a flash drive or digital website upload.

For maternity, senior pictures, real estate, business advertising, or any project you may need a passionate photographer, please contact me for project costs.

I look forward to hearing from you!
