

Wedding Cake Pricing

Serving the following Sioux City, Spencer, and Storm Lake areas

Due to the current economic situation across our country and on the oceans for supplies (materials such as: flour, all types of sugar, butter; even boxes and packaging) are being a commodity that are becoming increasingly difficult to get and have increased to the point that I unfortunately have no choice but to increase my prices to be able to keep supplying you with service. This increase will become in effect November 2021.

ALL ORDERS FOR WEDDING CAKES, will need to have an advance notice and 50% non-refundable retainer in order to complete your request. (This can apply to other cake orders depending on the order, but this is a baseline price.) Note, costs are approximate based on our average. Each cake, depending on its ingredients and complexity, is priced according to the order. **Base pricing** starts at \$2.50 a serving. All orders are priced accordingly to the Bride. Depending on delivery locations, there is a rate that will be added on the invoice, additional decorative pieces will be included in design of cake. Each tier is 2 layers, if you want 3 layers (gives extra height) to each tier it will add more servings and the cost will be higher.
