FOR ALL PACKAGES

- **Resolution:** I shoot in full 1920x1080p HD
- **Video Lengths:** All lengths are minimum estimates, it's quite possible that the final runtime of your video(s) will be a tad longer since I'd rather include more of your big day in the final produce than less.
- **Deposits:** A deposit of 1/3rd the total price is due upon booking. The remainder of the payment is due no later than the date (day-of) of your wedding.
- **Travel:** Travel within an hour of Wakefield RI, is included and unless otherwise indicated incurs no extra charge. For regional weddings (up to 200 miles from Wakefield, RI) a quote for the estimated travel expenses/fee will be provided, which does not include lodging & meals (if necessary).
- **Rough Cut Review:** As a way to ensure a quality product I offer all clients one chance to review a rough cut of their film via an online link before I send it out to them.
