- hello soon to be mr. & mrs. -

thank you for considering me to rock the dance floor at your upcoming wedding. I know this is one of the most special days of your life as a couple, so the music on your wedding day should reflect your personal flair, while also ensuring your guests will have a good time.

I would love to contribute to creating a memorable musical day, which will not only complement your style, but will set the mood you want to radiate.

my ultimate goal as a wedding dj & mc is to seamlessly mix amazing music, work with you and your other vendors to make sure it's a stress *free* zone...and have you and your guests dancing away through the night!

- *and if the music is good, you DANCE.* -
