BEHIND THE LENS

STEE GARMAN

Welcome! I'm so glad you are here. My name is Stee (like bee) and I am a fine art wedding and portrait photographer in South Carolina. I live in the capital city but travel all over the state, more often in Charleston and Greenville. I've been married for eleven years and we have three littles. The way to my heart will always be coffee, tacos & margs, not in that order. When I began as a photographer, I swore off weddings, but was talked in to shooting one for a college friend. That wedding changed my life, and my photography career took off. I've found that photographers either love weddings or hate them, I LIVE FOR THEM. There is so much more to being a wedding photographer than just taking great photos. And I'm here to show you the ropes and hold your hand through the process. LET'S GET STARTED!

A FEW OF MY FAVORITE THINGS:

My Family | Margs | Traveling | Pearls

Bright Colors | Flowers

MOMENTS ARE GENUINE

PHILOSOPHY

I firmly believe that finding the right photographer is the most important decision a couple can make. Your photographer will be with you the entire day. You want someone who you feel completely comfortable with. While I can't promise that all photographers will show up as involved as I do, I promise to take care of you, your bridal party and your crew. I should probably add dress bustler, lipstick holder, drink grabber, dress fluffer and shoe holder to my bag of tricks. I say all of that, to really say, I'm here for you. And that folks, is my elevator pitch.

WARM WORDS

“There aren’t enough words to describe how incredibly happy I am to have found Stee for our wedding photography. Stee is amazing. Not only in her abilities to capture such beautiful moments, but as a person. She’s incredibly personable, charismatic, a pleasure to work with, and very professional. She showed up and immediately jumped in, she even helped when I had a small dress mishap. She became my person throughout the night, checking in and making sure I had everything I needed, and she kept up with the timeline of events to keep everything moving smoothly. I love her! My wedding album is perfection. Every single photo, so beautifully captured. She puts so much time and effort into her work and you can tell that by her wonderful photos. Thank you times a million, Stee. You are the BEST.”

FREQUENTLY ASKED

QUESTIONS

HOW MANY IMAGES DO YOU DELIVER?

We take on average 50-60 images per hour of coverage. Though we tend to exceed those expectations if there are plenty of details and love to go around

DO YOUR COLLECTIONS INCLUDE AN ENGAGEMENT SESSION?

Each full-day collection includes a gifted engagement session. This 1-hour sunset session takes place within 30 miles of Columbia, SC and includes an outfit change if you can't narrow down your attire!

WHEN CAN WE EXPECT TO RECEIVE OUR IMAGES?

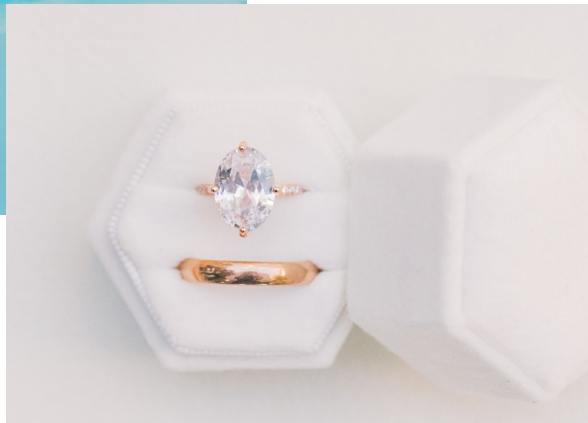

You will receive an online gallery with high resolution images within 2-3 weeks. We will post a few sneaks within 24-48 hours of your wedding.

DO WE HAVE TO USE OUR GIFTED ENGAGEMENT SESSION?

We strongly recommend that you take advantage of your gifted session.

This gives us a chance to get to know one another, and so you can get comfortable posing in front of the camera. Sometimes on wedding days we only have a 10 minute window to take your photos. It's important you feel confident and relaxed in that moment, and the engagement session helps build trust so you can focus on enjoying the moment on your big day!
