

Below are our most popular wedding packages catered to your head count, The Share the Good times is the one with the scrapbook. I have included links to galleries of our set up at weddings, the scrapbook option, custom borders and our standard backdrops. Pictures describe it so much better and show exactly who we are. Make sure to check out our variety of elegant backdrops for weddings.

Check out the high energy we bring to events - [Joy Squad Video](#)

Here is our selection of Standard Backdrop include in every package ~ [Standard Backdrop Options](#)

***Key points of what makes Joy Squad the leader in reception entertainment!***

- Unlimited 4 x 6 prints per session ~ so no one feels left out and line moves fast
- HD DSLR Cameras for high quality photos
- Wonderful LED Lighting so everyone looks fabulous!
- Large live view touch screen to see yourself while posing
- Option of Color, B&W or Sepia for every photo session
- Super fun high quality props displayed nicely at event
- Every package comes with a custom designed border
- Every package comes with your choice of one of our 10 elegant backdrops
- Friendly attendants whose main focus is to bring high energy fun to your reception

We offer a unique and elegant approach to the photo booth experience. Think of it as fashion photography with a high tech twist. The open air design results in more interaction and continuous guest engagement. We bring excitement and fun entertainment to the reception while giving your guests a favor they can cherish for years. We have heard several times that our photo booth was the highlight of the event and enjoyed by all ages!

**Lickety Split**

Each additional hour is \$175

*Each additional idle hour is \$60*

With the Scrapbook upgrade we send 2 attendants, one to man the photo booth and one to help the guests with decorating and making sure the scrapbook gets filled up with messages and fun photos. In addition, we provide stickers and embellishments to help make the decorating process more fun and engaging for your guests. It is very special for the bride and groom to be able to look through the scrapbook that same evening, a little instant gratification from the wonderful evening shared with family and friends :)
