Oh Hey!

I am Claire August

HELLO BABES!!! I am a Wedding Photographer based out of the PNW! I have been taking photos for over 10 years now. I am obsessed with my fur babies and traveling. For the past 3 years I have been shooting weddings and turned my hobby into a career.

WHAT

To Expect

When you book me, you're not just booking a photographer. You are booking someone who is completely invested in you and your day. I want your day to be the most memorable day of your life.

I am going to be there to hold your dress, fix a hair, straighten every bow tie & capture the love you have for each other & the love surrounding you. From candid to gorgeous portraits, every

From booking to gallery delivery, I will be here to support you with anything you need.

A first look will allow more time for photos. Normally, without a first look, photos are taken during the cocktail hour, between your ceremony and reception. That means you're more pressed for time since you're working on a tighter timeline. I do not recommend anything under 7hrs if you are not doing a first look.
