# Marquess Beauty

Congratulations! We are so excited that you are interested in booking us to be a part of your special day! Shelby and the Marquess Beauty Team have had the honor of being apart of hundreds of weddings, and are looking forward to making you and your bridal party feel beautiful on your special day. The following is our pricing broke down by service. We offer hair, makeup or our preference; both. We HIGHLY encourage and reccomend the bride pretrial appointment as part of your package to ensure you have exactly the look your desire for your big day, as well as work out any kinks, changes, or requests before hand to alleviate unnecesarry stress and make the day-of run even more smoothly.

## NOTE

We charge a nominal travel fee for distances longer than 30 minutes from the Atlanta Metro area that will be discussed depending on your venue location. We require a 50% deposit of the total booking cost in order to hold the appointment and require the balance to be paid in full the day of or before any services are rendered. Our team primarily serves celebrity clientele along with the film and network television industry and consequently do require a \$1000 minimum booking total in order to have availability to serve the wedding community in Atlanta and the surrounding markets.

**Congratulations, and we cannot wait to be a part your big day!**
