“we’re not your mother’s wedding video”

## Capturing memories...

Our wedding film provides a unique film you will cherish for a life time. You will not only enjoy watching your special day over the years but your children will enjoy seeing the fun and love their parents shared at the beginning of your journey together.

**CALL US TO SET UP A VIEWING OF OUR WEDDING FILMS.  
WE’LL BRING THE POPCORN!**

**We have spent years devoting ourselves to the craft of storytelling. We are thankful and humbled at the trust given to us from our brides who have chosen us to present their story to their friends and family.**

“ we are proud to be on the preferred vendors list of the Stroudsmoor Country Inn”

# Packages

Our **SIZZLE REEL** offers you, and your viewers, a glimpse into your day while opening the door to your love story. This is a 8-9 minute film put to the music of one song with narration from the Bride & Groom. The package also includes all footage shot throughout your day on a hard drive for your personal use.

The **FEATURE FILM** is a film featuring the greatest highlights of your day. Packed full of precious moments, edited to music with natural sounds and narration, complete with Opening Titles and Ending Credits. The length of this production is 25 - 30 minutes. The package also includes all footage shot throughout your day on a hard drive for your personal use.

ASK US ABOUT OUR OTHER ADD ON'S

*Ask us why two cameras are better than one*

Our time with you is not based on an hour time frame!

We are with you from the time you start your makeup till your reception starts winding down.

Plus! we shoot a few hours before the wedding to capture your story.
