

**Wedding Basics Questionnaire *no charge***

This is a collection of 50+ questions that I have about the logistics of your wedding, the whos, whats, wheres, and whens. Typically, this Questionnaire is completed or very close to being complete before the Formal Consultation.

**Formal Consultation \$100**

This is when you, your dear one and I get together to review the Wedding Basics Questionnaire and bring your love out in the open. I will ask questions that will help me learn about your relationship as well as the hopes and dreams you share for your ceremony and future together. We meet face to face at a scheduled locale, usually a cafe. This meeting typically lasts at least 90 minutes. It's wonderful.

**Samples *no charge***

I have great samples to share with you for the more standard segments of a ceremony: giving away the bride, readings, vows, ring ceremony, special ceremonies and more. I'll send the appropriate samples for you to consider for your ceremony.

**Composing and Rehearsing Your Ceremony \$200**

Drawing from our interview, the Formal Consultation, the Questionnaire and your preferences, I write a ceremony that I hope will exceed your hopes and expectations. We get there through your feedback on the first draft and tweaking and editing along the way. As I rehearse your ceremony, I may make changes to the text to improve the way the ceremony will sound when it is performed out loud.

**Rehearsal \$75**

I will arrive at your venue before the appointed time for the rehearsal. Then, I will prepare you, your beloved, and your wedding parties and other participants in your ceremony through the procession, a truncated version of your wedding, and the recession. Rehearsals last 1 hour.

**Contingency Plan \$25**

What-to-do-instructions and a contingency ceremony script will be prepared for you as safeguard measures to ensure the show goes on!

**Performing Your Ceremony \$100**

I will arrive at your venue before the appointed time. I will check in with who you have designated to receive me, you and your fiancé(e) (if you would like me to), the wedding parties, and your dj and photographer. I will assist in lining up the procession. I will then perform your beautiful ceremony!

**Marriage License Processing \$25**

I will arrange to obtain your marriage license, signed by the two of you *before* your ceremony. After your ceremony, I will obtain your witnesses' signatures - the two witnesses you have indicated in your questionnaire - to sign the marriage license. I will sign the license myself and then mail it to the Registrar of Deeds *for your venue's county*, within 3 days, as mandated by Wisconsin state legislature. It is not necessary to apply for your marriage license in the same county as your venue. Anywhere in Wisconsin will be fine.
