

What's Up Photos

A UNIQUE MOBILE PHOTO EXPERIENCE

What's Up Photos Event Package Details

Package includes:

- Unlimited use of Dolores for the duration of event (photos are printed after each session; all photo participants receive a printed photo)
- Choice of traditional 2x6 photo strips or 4x6 postcard style (guests choose their preference inside Dolores)
- On-site attendants to set-up/breakdown and manage/supervise the booth operation
- Photos are taken with a full frame professional Canon camera (cleverly disguised in a custom camera box) and printed within 8 seconds using a dye-sub printer inside of Dolores

- A variety of costume props (hats, glasses, boas and more). Specialty items can be added, just let us know when reserving

- Digital copies of photo sessions as well as the individual photos will be provided digitally to the event organizer (or designated person)
- Customized message of your choice printed on the photo
- Option of using a generator for events off the grid or where there is not access to an electrical outlet
- Arrival time is based on the needs of the event for set-up; this is no charge and it does not count towards the hours booked for the event

Reservations are only guaranteed after the event agreement has been signed and a deposit has been received.
