### ***Mini Wedding Planning Services.***

What is a mini wedding you ask? A mini wedding is a wedding with less than 50 guests that still has all of the elements of a traditional wedding, but on a smaller scale. Your celebration consists of a ceremony, a meal and entertainment that will typically last several hours. Your guest list may be more intimate, but your celebration of love remains just as grand! *Starting at \$4200*

### ***Micro, or Tiny Wedding Services.***

A micro wedding is a wedding with 30 or fewer guests. This is a stripped-down version of a traditional wedding. Typically lasting under two hours, this type of celebration focuses on your ceremony followed by a short meal time. This could be drinks and light apps, or a sit-down type of dinner for you, your honey and your special guests. *Starting at \$2200*
