FAQ

IN WHICH PARTS OF ITALY DO YOU WORK?

I work in every region of Italy. In the last years, I realized wedding photo service in Tuscany, Le Marche, Lake District, Puglia, Sicily, Amalfi Coast, Emilia Romagna, and Venice.

HOW DO WE RECEIVE THE PHOTOS?

Post-produced photographs will be delivered as high-resolution jpegs via a cloud and without a watermark. This cloud allows you to view, download, and share photos in an extremely simple way.

The number of selected and post-produced photographs varies according to the number of hours of service, the presence or absence of the second photographer, and the number of extra days. Generally, min 50 and max 100 high-resolution photographs are delivered for portrait services.

For wedding photo services min 400 and max 700 high-resolution photographs. Each photograph is post-produced in both color and black and white (so consider min 800 and max 1400 photographs). Each photoshoot also includes the delivery of a slideshow with a musical base.

FAQ

WILL YOU BE OUR PHOTOGRAPHER?

Absolutely yes.

Every year I accept a limited number of requests to be able to concentrate on every event and make it unique and perfect. Your wedding will be followed entirely by me, both in the photographic shooting and in the post-production phase.

AFTER HOW LONG WILL WE RECEIVE PHOTOGRAPHS?

Usually, the delivery will take place within 40 and 180 days from the date of the photoshoot.

The time that I use to spend on the selection and post-production of the images is related to the type of event, the atmosphere, and the interactions that occurred as well as my personal perception and interpretation.

For this reason, the work that precedes the delivery of the service is not standard but is like a tailored suit to make it suitable for you and unique.

If you are like “I want everything and immediately” of course I can not be your photographer.

FAQ

CAN WE PRINT WHERE WE WANT?

Absolutely yes!

DO YOU HAVE A POLICY INSURANCE?

Yes, I do!

HOW MANY PHOTOGRAPHS DO YOU TAKE ?

There are no limits to the number of pictures taken during a day of shooting. The use of digital cameras allows me maximum creativity and the continuous quest for details, situations, and events during your wedding day, and always with the utmost discretion.

DO YOU ALWAYS ASK FOR AUTHORIZATION TO USE THE IMAGES?

Yes, I do, it is essential for me to share and to communicate through the web the work I do.

FAQ

HOW CAN I MAKE A RESERVATION FOR MY WEDDING?

You can write to me at info@nicolatonolini.com and then we can arrange a call via skype or video conference. If you decide to employ me as your wedding photographer I'll make you sign a contract that certifies and confirms all your choices and will require a deposit also.
