

Bella Jour Weddings

Wedding Fees and Information

Your wedding should be a day of celebration
with no worries about unexpected costs.

I request an initial consultation to discuss the scope of your ceremony,
rehearsal plans, and location to determine an appropriate fee
and to formalize our agreement in a written contract.

An initial non-refundable 50% deposit is required,
with the remaining 50% due two weeks before your wedding.

My fees begin at \$375 and average \$500.
