THE WEDDING EXPERIENCE

Welcome!
We are Blak & Tammy,
a mother-daughter
photography team based
out of Orlando, FL.

As photographers, we want to capture your special day showing all the love & joy happening in the moment. We know your wedding can feel like a beautiful blur & we love getting to capture each moment so you can look back & see all the love put into your special day. Capturing images that express the excitement, love, & newness your wedding day holds brings us such joy!

Let's cut to the chase, we want to share our heart for our couples with you.

We want to serve you with SO much more than just pretty photos. Our ultimate goal in our work is to know that when you see your wedding photos you are taken back to a moment filled with the same emotions that were there in the moment it was captured. Our clients find value in their moments being captured in the most authentic way possible & treasure photos that will show their love shining through 50 years from the day they said "I Do!" We are the kind of photographers who listen intently to your dreams for your day & work along side you to make sure that each moment important to you is documented.

our wedding day favorites | moments we cannot get enough of.

Bridal Details

We truly LOVE starting the day off with all the beautiful little details! These details allow us to be creative from the moment we begin shooting the wedding day & we love how unique the details are to each of our couples!

Couple Portraits

Portrait time with our couples is hands down one of our favorite parts of the day! It is a time for our couples to be together, just the two of them while getting beautiful memories to last a lifetime!

After the Ceremony

The first few moments after the ceremony are so special as well! This is when our couples get to hug, laugh, and cry with those that they are closest to. It's emotional & so very special!

We have got the cutest puppies ever along with one adorable little kitty!

THEIR NAMES ARE BEAMER, COPPER, & SHADOW.

We could definitely be classified as slightly disney obsessed.

BY THAT WE MEAN WE KNOW EVERY SONG & DEFINITELY WILL SING ALONG AT THE TOP OF OUR LUNGS!

We are obsessed with ANYTHING Joanna Gaines!

IF OUR WHOLE HOUSE COULD BE FILLED WITH MAGNOLIA DECOR WE WOULD DO IT IN A HEART BEAT!

We're both introverted extroverts:

WE LOVE PEOPLE & THAT OUR JOB ALLOWS SO MANY CONNECTIONS.... BUT WE ALSO LOVE JUST BEING AT HOME WITH OUR PUPPIES

We are firm believers that books will ALWAYS be better than the movies!

BLAK STRONGLY BELIVES NO BOOK IS BETTER THAN OUTLANDER BUT TAMMY LOVES WAYYY TOO MANY SERIES TO DECIDE! BUT IF YOU NEED A BOOK SUGGESTION.... IT WILL DEFINITELY BE OUTLANDER.

Our passion in our photography is to capture your day in the rawest & most memorable way. Documenting all the love & emotion that fill your day making it unique & true to you!

We don't want to just show up, grab photos, and leave. We will be right there freaking out over how insanely beautiful you are in your dress or melting over the way your love looks when they see you for the first time! We truly love when clients become our friends!

OUR PROMISE

YOU KNOW YOU WANT GREAT IMAGES....

But what you may not realize is that you need a great experience with your photographer more than anything!

We have got you & will always be there for what ever is needed because at the end of the day you & your love are the most important parts of the day! We never just want to show up, capture what is happening & then leave. We want to work closely with you from our first email all the way up to gallery delivery not only helping you plan & remember one of, if not the most special, moment of your lives but also becoming friends with you both along the way!

Envision this....

Your wedding has happened. It was beautiful and everything you dreamed it would be. Instead of just downloading your images to your hard drive and sharing a link with your family and friends, you take it a step further and you invested in a family heirloom keepsake that tells the story of the day you began your life together. Your wedding is literally the beginning of your new family unit! Now, try to fast forward even further and envision yourself sitting in your future living room with your future four year old and he/she is asking questions about when you got married. You look at them and say, "Hold on one minute, ok?" and you grab your legacy album. As you flip through the pages, half of the album in your lap and the other half in theirs.... your child notices aunts, uncles and grandparents celebrating with you on your wedding day. They will be in awe of these old pictures. Legacy albums aren't just for you, they are for those that come after you. What a beautiful gift to hand down to future generations!

LOVE NOTES:

Blak & Tammy made me feel important from the very first email sent to the final gallery delivery and every step along the way. They answered all my bride crazy questions within a few hours. I am so happy that we also had the chance to do our engagement photos with them as well. This provided the opportunity for my husband and I to get more comfortable with Blak , Tammy and the camera as well. It was an insight on what to expect on our big day. Our wedding day was a breeze thanks to these two, they are so down to earth but also professional at the same time. they took the time to listen to what shots were important to us getting and made it happen. We are in love every single photo we received!

- **Meisha & Jaylon**

Amazing photographers. Their pictures are amazing. They are sooo sweet and selfless! We had them for both our wedding and engagement photoshoot. They were patient and went the extra mile even after all the delays due to the weather. I highly recommend them!

- **Maggie & Daniel**

Blak and Tammy were the classiest individuals before, on, and even after our wedding day. They were so relatable, very friendly with the guest, and beyond patient. Blak and Tammy did a great job keeping us in the loop about the arrival of all our pictures being ready. I LOVED that we got a sneak peak of some of our pictures a few days after the wedding. The way they prioritized that little detail meant so much. On our wedding day, they spent their time looking around the property to seek perfect spots for our pictures. They were well organized and did not seem stressed with our big family and all the pictures we desired to have taken. Blak and Tammy took the time to know us and know our style. They truly blessed our day and helped create a memory that we will forever cherish.

- **Sadie & Leo**

Blak and Tammy made us feel like royalty on one of the most special days of our life. They didn't just show up to take photos, they took time to form a relationship with us and it made our wedding day even more special. They love what they do and they love their clients and the relationships they build with them. We look forward to our next opportunity to do a photoshoot with these wonderful ladies.

- **Leeanne & Dennis**

Frequently asked questions:

WHAT IS OUR SHOOTING STYLE?

We love being both interactive and discrete throughout the wedding day. There will be parts of the wedding day when we will need to be in control in order to accomplish everything that needs to be done in order to keep everyone on schedule. There will also be moments when you shouldn't even know that we are there. (The ceremony, during dances and toasts, etc.) We teach our couples how to pose and interact during their engagement session so they are naturals on the wedding day and don't need quite as much instruction from us!

ENGAGEMENT TRAVEL?

We are more than willing to travel for engagement sessions! We actually love it when our couples ask us to photograph them in a location that means something special to them!

HOW DOES PAYMENT WORK?

We do require a non-refundable retainer of \$500 at the time of booking along with signing of the contract. Payment plans are available to make things as manageable for my couples as possible. Once we are able to talk with you more we will come up with a customized payment plan for your wedding day.

Thank You!

I'm so glad you contacted us! Enjoy this new season of engagement! Plan and prepare but always remember that when it's all said and done, all the food, the florals and the details will fade away. Once your the last song is played and you exit your reception, you'll begin your new chapter and you'll have your photos to remember the day it all began. Congratulations on your engagement and we look forward to hearing from you!

*Warmly,
Blak & Tammy*
