PHOTOGRAPHY

ABOUT US:

Before you choose your wedding photographer, you should know a little about me, Kelli Carrico, and my services. I am actually - WE - My husband and I are a photography team. You will, with no additional charge, have two photographers shooting your day, regardless of your package choice.

I have been taking wedding pictures for over 7 years and after working as a second shooter for years, started my own business in 2012. Tim and I love weddings and enjoy the opportunity to serve you and your family on your big day.

I have been featured on such sites as The Knot, Wedding Wire, WV Weddings, WeddingMoons, Sandals Resorts, Beyond the Wanderlust, Strictly Weddings, The Greenbrier, and more. I have been awarded “Top 5 WV Wedding Photographer” and “#1 Photographer” twice by the Register-Herald.

Weddings are my specialty. I love posing couples but I love not posing them even more. I wait for special moments throughout the day to capture you just being you. Tim is amazing at catching the kid picking his nose at the dinner table, or the grandfather crying, all while I am taking the posed shots.
