I can't even describe how me and my husband are satisfied with the services provided by Michael and Rasa. All the planning, the day of the wedding ceremony, flowers, the photos - basically everything exceeded our already high expectations. Putting aside the professional aspect, Michael and Rasa are incredible, kind, attentive people. We felt very comfortable around them.

Our experience with Michael and Rasa was everything we expected! They were very knowledgeable and helped in all the details of planning our elopement/barefoot ceremony on the beach. They offer or recommend every service you need to make YOUR day special! I'd highly recommend it!

Ensure your guests and family members are comfortable, that all vendors are working together on time, and that your wedding vision is implemented accurately. They work with you before the ceremony reviewing details and helping keep your wedding on schedule.

We were in Key West while on a cruise for our 5th anniversary. We decided to have a vow renewal and found Michael and Rasa. I can't say enough about how FANTASTIC they were! The location was perfect, the ceremony was beautifully personalized, the photos were fantastic and they were very friendly and showed us a little portion of their Key West world. I cannot thank them enough for giving us a beautiful and memorable day!

The value we got from this experience was SO much greater than the incredibly affordable price we paid. The ceremony was personalized, flowers and ceremony location were beautiful, and Michael and the photographer were extremely kind and caring. The passion they have for their work was immediately evident. Honestly, there is nothing that could have been done to make the experience more perfect.
