WEDDING CEREMONY PACKAGES

Premium Package – *Customization from start to finish* (\$850-1200)

Yours is the only wedding booked for this weekend. I am available for all the scheduled calls and emails you feel are necessary, Skype appointments, and rehearsal the evening before your occasion. I offer a listening/feedback session about your plans and the final ceremony draft. I consult with your planner, musician/s, DJ and photographer and prepare ceremony cue sheets if asked. You have the option of unlimited drafts until we arrive a handcrafted, remarkable occasion with just the right readings, unique rituals, your complete love story, personalized and meaningful marital vows, ring exchange vows, and blessings and/or prayers that comfortably reflect your values and beliefs. You receive an attractive keepsake copy of your wedding ceremony.

Sterling Package – *Works well for most couples* (\$450-800)

I am available for scheduled calls, emails, Skype appointments, an on-site rehearsal an hour before the occasion, and up to three drafts until we arrive at a customized ceremony that fits (including readings, unique rituals, excerpts of your love story, guidance for personalized marital vows if requested, ring exchange vows, and blessings and/or prayers that reflect your beliefs). I consult with your planner, musician/s, and photographer if requested. You receive an attractive keepsake copy of your wedding ceremony.

Sparkle Packages – *Last minute occasions* (\$200 - \$400)

An elopement or one or two-day turnaround for a small, casual occasion, if I am available. After a short introductory meeting in person or by phone, a meaningful ceremony is offered that supports your beliefs and values. I provide onsite guidance at the location.

Ceremony Consultations – billed at \$50/hour

I provide consultation on an hourly basis over email, phone, Skype or in person.

Final price is based on location, season, day of week, time of day, & complexity of ceremony. Additional fees may apply if more than a half hour drive or out of state. There are two ways to confirm a date: (1) pay in full (2) pay half on signing an agreement and half thirty days before your ceremony.

I am passionate about delivering the highest quality ceremony experience. I take time and care getting to know you, designing and performing a meaningful and memorable wedding ceremony with utmost professionalism. Whatever package you choose, you will feel confident knowing your celebration has been thoughtfully and thoroughly prepared and authentically portrays who you are. #
