artistically capturing your life's images

Welcome

Hey! Thanks for your interest in my work! Pull up a chair and let me tell you a bit about myself.

I AM FIRST AND FOREMOST AN ARTIST, STRAIGHT DOWN TO MY MARROW. ALWAYS HAVE BEEN, ALWAYS WILL. PHOTOGRAPHY IS JUST ONE OF MY MANY CREATIVE OUTLETS BUT IT IS THE ONE THAT I FIND BRINGS ME THE MOST JOY. THERE'S NOTHING BETTER THAN BRINGING JOY TO PEOPLE WITH MY IMAGES.

I love books, drawing paper, coffee, fast cars, taking the road less traveled (especially in a fast car), dogs, being a wife and step-mom, the great outdoors and traveling. So far, Ireland has been my favorite destination.

I'm a laid back person. I'm just not that excitable, I guess. But I'm *fiercely* passionate when it counts. Personally, I think I have a great sense of humor. I believe sarcasm is an art form. I stink at telling jokes.

As for how I work,

I look for the story in your session and try to capture the true essence of you. I'm excited by how unique each client is and I love how no two sessions are ever the same. My approach with each client is a combination of photojournalism and artistic staging. I prefer to document you at your most natural and try to get you to forget there's a camera. My artistic staging takes your portraits to another level, beyond the ordinary.

Engagements

“WHEN YOU REALIZE YOU WANT TO SPEND THE REST OF YOUR LIFE WITH SOMEBODY, YOU WANT THE REST OF YOUR LIFE TO START AS SOON AS POSSIBLE.” - NORA EPRHON, *When Harry Met Sally*

AN ENGAGEMENT SESSION IS INCLUDED IN MANY OF MY WEDDING PACKAGES BUT IS ALSO AVAILABLE A’ LA CARTE.

We can shoot this session at a location of your choosing or I can suggest one based upon your desired “feel” for your photos.

This can be a traditional engagement session, which is one hour and in one location, or we can do a story-telling session where we choose a theme or activity and I follow you and capture the spirit of you and your relationship together.

Both sessions include professional edits of your photos, a keepsake DVD or USB with your images in both high and low resolution, and online proofing gallery and a print release form.

All wedding packages include professional editing of images in both color and black & white, a keepsake DVD or USB of your digital negatives with a print release form and an online gallery with downloadable files. Some packages include an engagement session, fine art prints and premium albums.

You may add a second shooter to any package for \$150/hour (minimum of three hours).

A' la carte items are also available so you can customize a package to suit your needs.

I also do destination weddings and would be happy to travel anywhere in the world to cover your special day! Just ask for a travel quote.

You've got questions?

HOW LONG TILL I GET MY PHOTOS?

I provide you with beautifully edited images so it takes a little time to get your photos. For engagement sessions, you will have them in your hot little hands in about 3 weeks. Weddings require more of my attention but I promise I'll get them to you within 6 weeks.

CAN I CHOOSE THE PHOTOS IN MY ALBUM?

Yes! But most couples prefer that I build their albums because the number of photos can be overwhelming. I will pick images that I feel best tell your story from start to finish. I'll send you the album files for approval prior to ordering.

DO I GET A DVD/USB WITH PRINT RELEASE?

Yes! I share the copyright with you and you may print and share your images as you would like.

WHAT ARE YOUR PAYMENT TERMS?

For engagement sessions not purchased within a wedding package, I require payment in full at the time of the session. Products must be prepaid. Weddings require 1/3 deposit upon agreement signing, 1/3 due 30 days prior to your wedding, with the final balance due on/ before your wedding.

WHERE SHOULD WE DO ENGAGEMENTS?

I like for you to come up with your location so it's personal to you but I can certainly suggest a place if you need! I will go just about anywhere within reason to capture the spirit of you!

WHAT CAN I EXPECT A SESSION TO BE LIKE?

Fun! I really want you to have a good time. I am very casual and like to work in a loose manner.

I've got answers!

I usually have a plan of artistic poses I want to do but I often shoot on the fly when you're not paying attention to me. I love the natural shots.

HOW MANY IMAGES CAN I EXPECT?

You'll usually get at least 30 images in an engagement session. A wedding will yield around 75-100 images per hour.

DO YOU CHARGE A TRAVEL FEE?

I do not charge to travel to the entire Front Range area, Colorado Springs, Cheyenne or Vail, Beaver Creek, Breckenridge or Granby areas. An overnight charge will be applied to distances requiring it. I am also available for destination weddings. Just ask!

DO YOU WORK WITH A SECOND SHOOTER?

Yes! While I find that I can cover a wedding on my own, if you prefer to have different angles or you have a large wedding, you may desire to use a second. I have relationships with several local pro photographers. A second shooter is billed at \$150/hr with a minimum three-hour commitment.

Having your photo taken is a personal and important event. You want to trust your portraits to a professional photographer who fits your personality and style and who can best capture the essence of you. That's what I strive for.

I promise to provide you with the highest-quality images, most beautiful products, best customer service and most fun experience I can!
