FAQ

DO YOU TRAVEL?

Yes! I love to travel. And would love to discuss what you're planning!

CAN WE BOOK YOU FOR ONLY A FEW HOURS?

I create custom packages for many clients. Your wedding photos will be the ONLY thing you have left to remember your day, so I definitely recommend capturing the ENTIRE event, instead of just a couple of hours.

HOW MUCH DO YOU EDIT YOUR PHOTOS?

Post-processing is the most time intensive part of your wedding as I work hard to ensure every image meets my artistic standard. Every photo has my custom look applied, and is adjust for things like brightness and optimal color.

DO YOU PROVIDE ALBUMS?

Albums are not included in our basic packages, however it is something you can add-on. Wedding Albums are an incredible keepsake to commemorate your day and have a hard copy of the artwork from your day.

I'M READY TO BOOK! WHAT NEXT?!

AMAZING! I can't wait to get to know you and I'm so happy you've chosen me! To book I require a signed contract and 20% retainer. Dates cannot be reserved until these have been received. Contact us today and we'll send you full booking information!

hello there!

It's very important to find a photographer whose work you love. But it's also important to find someone that can capture you as you are. So you can look back years later and have it bring you right back to these memories. I believe it's also important to find someone you're comfortable with and can be yourself with.

A lot of my clients are now thought of as my friends and I love that. I hope this guide gives you an idea of my style and who I am. A wedding is a once in a lifetime event and although it can be really stressful putting together, it can be really rewarding as well. And once is all said and done photos are they way to really remember all of those details. So I'm honored you're considering me to be part in your big day and I hope to meet you soon.

Lets do this!
